

Payment Options

It is entirely your decision on the route you decide to take. If you are unsure on any point we would encourage you to seek independent advice before you make your decision.

Paramount Recruitment does not endorse the benefits of operating through an Umbrella or Ltd company or encourage contractors to operate via any particular provider listed on this page.

The list of companies displayed on this page is neither permanent nor exhaustive. Paramount Recruitment reserves the right to remove entities from the list displayed on this website should any of the providers fail to satisfy compliance checking procedures at any time. If a provider listed fails a compliance check, we may ask you to provide your services through an alternative provider.
